

Part Time Day Habilitation Counselor

Successful Living has 2 part-time openings in our Day Habilitation program. If you have the available hours of Monday through Friday 9AM - 2PM then this is the job for you!

Day Habilitation Counselors meet with clients in a group setting to provide support and hands on training to enhance client's daily living skills, assist in developing natural supports and help increase community integration. Groups take place in the Day Hab facility at Successful Living's main office, and are made up of adults age 18 and older who are diagnosed with a chronic mental illness. The counselor will be planning and leading groups, participating in special events, recruiting clients to the Day Hab program, completing paperwork, maintaining program area, and providing transportation.
